Hello! We Are .XYZ

we've got some helpful information just for you
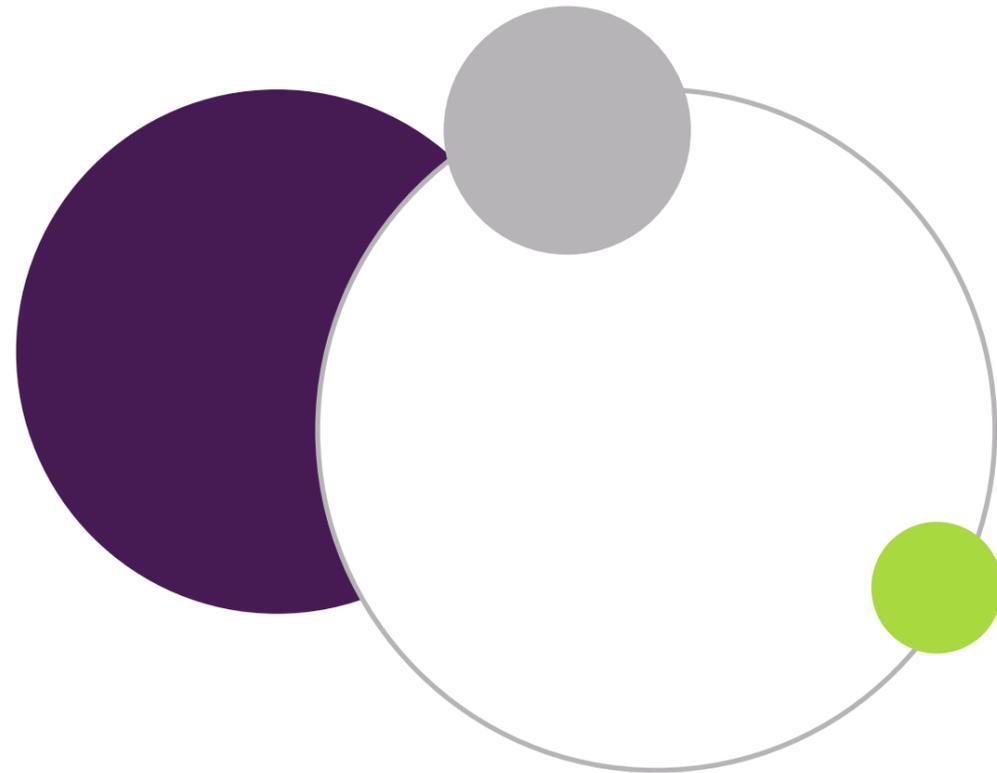

There are 2 kinds of logos for .XYZ: full and outline. You are welcome to use these for .XYZ related projects and materials. Dark backgrounds MUST use either the full color logo OR a white outlined logo (as seen at the top left corner of this page). You may not change the proportions, font, outline, or style of these logos for any reason. Logos must be clearly visible when used.

There are 4 main colors used in .XYZ-related materials.

White: **RGB** (255, 255, 255) **HEX** (#ffffff) **CMYK** (0, 0, 0, 0)
Purple: **RGB** (74, 25, 85) **HEX** (#4a1955) **CMYK** (78, 100, 34, 29)
